# Osstem Meeting Sydney 2025

SATURDAY  
15 NOVEMBER

# Osstem Meeting Sydney 2025

—Where learning and networking meet in one unforgettable experience. This year's symposium spotlights OneArch, Osstem's digital full arch workflow, plus the latest in guided surgery, scanning tech, and clinical tips to sharpen your digital implant skills. After a full day of learning, join us at the Osstem Annual Social. Expect great company, festive energy, and a beautiful view. Don't miss this chance to upskill and connect—all in one place.
